Every animal entered for competition shall be entered or accepted for entry in the Herd Book proper of its breed unless otherwise stated. Where an animal is entered by the exhibitor as accepted for entry in the Herd Book proper of its breed, proof of such acceptance shall be furnished to the Society at the time of entry.

VETERINARY

5. BRUCELLOSIS ERADICATION

Cattle which calve or show evidence of calving whilst at the Kent County Show must be placed in the approved isolation immediately pending their possible early removal from the Showground.

Where an animal calves prematurely or aborts, the Society's Veterinary Offices must be informed immediately. The animal must be placed in the approved isolation accommodation pending sampling by a DEFRA authorised Veterinary Surgeon. If the animal calves or aborts before it can be isolated, full precautions must be taken to isolate and disinfect any possible contaminated standings, bedding, utensils, clothing and vehicles. The animal cannot take part in the Show and once fit to travel can be returned home. The suspect animal must be isolated during transit.

Dams may suckle their own calves. All other calves must be fed reconstituted dried milk.

6. MEDICATION

Participants shall not deliver any medication, preparation or substance to their animals, by any method whilst on site,

except that administered by the Show veterinarian. The only exception being that participants can deliver medication which has been disclosed at Bio-Security, upon entry to the Showground, so that the duty vet is aware of the substance and why it is being used.

A pre-movement TB certificate must be valid until Monday 11 July to exhibit at the Kent County Show. For further information on pre and post movement testing, please see the DEFRA website: www.defra.gov.uk. The Kent Showground is located in a low risk area (LRA) and post movement testing therefore does not apply.

10. EXHIBITS FROM ATTESTED HERDS

At the date of entry, cattle must be from herds which are free from movement restrictions imposed under the Tuberculosis (Area Eradication Order, 1950, as amended). An animal accepted for entry cannot be exhibited, if after entry, the herd to which it belongs is subject to such restriction.
