## RULES

1. Each entrant must be a fully paid up member of the relevant Society.
2. Only competitors may lead the calves in the showmanship & calf classes; no assistance will be allowed.
3. In the calf classes, calves must be handled by members of 26 years of age or under on 1<sup>st</sup> January 2018. For the last two classes of each breed, calves may be handled by anyone 30 years or under on 1<sup>st</sup> January 2018.
4. Each breed will be shown under their own Society's rules.
5. A calf may **not** be shown in more than one handler class.
6. All competitors are required to wear the relevant Society's showing uniform. Entry will be refused if competitors are not wearing the correct uniform.
7. Show officials have the right to refuse entry to any competitors who are late for their class.
8. Once at the Show any clipping or preparation of calves must only be done by the owner of the calf or a member aged 30 years of age or under.
9. No substitutes or late entries will be permitted.
10. Animals will undergo clinical inspection by the attending veterinary surgeon before entering the housing area. All certification must be presented to the attending veterinary surgeon on unloading.
11. The correct pedigree certificate & passport **must** accompany all animals.
12. Any animal with active ringworm will not be allowed into the show. Ringworm is defined as active if there is no hair re-growth. A written statement from your veterinary surgeon stating that the animal is undergoing treatment is required in these circumstances. We strongly recommend the use of Ringvac under veterinary guidance before the show, due to the high risk of ringworm transmission.
13. All animals attending the event **must** be accompanied by a pre-movement TB test certificate, regardless of the location of the holding they are travelling from. Paper work **must** accompany each animal & be presented to the stewards.
14. It is recommended that animals have certification of a negative BVD antigen screen.
15. No animal previously or currently owned or bred by the judge (as stated in the schedule) is permitted to be shown.
16. Non-payment of veterinary costs at the Show may result in suspension from future shows; as such, payment must be made direct to the veterinary practice as requested.

## CODE OF CONDUCT

1. The Show committee expects all competitors to behave in a responsible & appropriate way throughout the event. Inappropriate behavior will **not** be tolerated.
2. The actions of individuals are held accountable by their relevant breed Society. The Show committee reserves the right to disqualify exhibitors or members if they bring the reputation of the Society into question.
3. All competitors will be issued with wristbands to distinguish between under & over 18's, with no alcohol being served to under 18's. Wristbands for bar access & access to the Young Breeders Celebration will be handed out by the stewards on arrival or may be collected from the Show Office. Proof of identification will be required without exception.
4. No alcohol will be allowed in the cattle lines for the duration of the event; stewards reserve the right to confiscate any alcohol found.
5. Any one person found causing damage to property, persons or livestock will be immediately banned from taking part in the event & will be financially liable for any damages.
6. Anyone under 18 who is not accompanied by a parent/guardian will require a parental consent form, which **must** be signed by a parent/guardian & returned **prior to the event.**
7. Anyone under 16 should, ideally, be accompanied by a parent/guardian at events where an overnight stay is required.
