Foreword

Mervyn, Malcolm and Mark are pleased to offer another selection of youngstock from the Hilltown herd for what is there Tenth draft sale.

This sale includes a percentage of all groups of youngstock from Autumn, Winter and Spring calving heifers down to 4 month old weaned calves. The Herd is individually bred to a wide selection of old proven British Bulls and Young Bulls that are available in A.I. The best confirmation and production Cows are bred to proven Bulls and a selection of Sons are kept as Herd Sires and for semen collection. This has proved to be a very successful policy in not only helping us become one of the highest classified herds in the country but also allowing us to produce over 5000 litres average from forage with our mature cows achieving up to 10,000 litres per lactation.

Our recent classifications show the success of our breeding policy with over 30 EX or EX up grades at each visit with numerous VG heifers. Animals sold at previous sales are also scored EX in their current owner's herds and winning numerous Shows and Club awards. The herd is BVD Free accredited and tests negative for lepto, IBR, Johnes Disease and Neospora. BVD and Lepto are still vaccinated against and all breeding size animals have been vaccinated this year. Animals that have been on grazing for the first season have had a Autoworm First Grazer bolus. All youngstock receive Bravoxin 10 to guard against clostridial diseases and the weaned calves have had Bovilus Ringvac to prevent ringworm.

All animals in this sale are full pedigree and eligible for showing.

For more information or to view stock prior to sale then please contact Mark on 07801 822797 or Mervyn on 07713 758023 or the Auctioneers.

(All cattle sold by Kivells are sold under the Livestock Auctioneers Association Conditions of Sale)

In Milk / In Calf dairy cattle sold through the dairy ring at £500 or less per head DO NOT carry the usual National Sales Conditions warranty

Maiden heifers stated to be sold for breeding purposes.

The **vendor** warrants a **maiden heifer** stated in the catalogue or at the time of sale to be sold for breeding purposes to be free from any malformation which would render the animal incapable of breeding. The warranty is a **5 day warranty** if the malformation is patent or a **6 month + 5 day warranty** if the malformation is latent.

If the **purchaser** proves a breach of warranty the **purchaser** may return the animal to the **vendor**. Notice of claim must be supported by a **veterinary surgeon's certificate**.

Cows or heifers sold as being in milk and/or in calf. The vendor warrants a dairy cow or heifer in calf and/or in milk:

- (a) To be correct in the udder and teats;
- (b) Not to be infected with **clinical mastitis**;
- (c) Not to suck any other animal or herself; and
- (d) To be **quiet to milk**.

The warranties in conditions (a) & (b) is an after sale warranty which shall run from the close of the day's sale or until the animal is removed from the sale premises, whichever is sooner. The warranty in conditions (c) & (d) is a **5+5 day warranty**.

Cleansing The **vendor** warrants that all newly calved **cows** and **heifers** have cleansed satisfactorily before the sale. This warranty is a **3 day warranty** in which any claim made by the **purchaser** must be supported by a **veterinary surgeon's certificate**. The **vendor** is obliged to pay for the cost of one wash out.

Cows or heifers sold as served or guaranteed in calf.

When an animal stated to have been served **less than 10 weeks** prior to the sale and is **pregnancy diagnosed positive**, this is given as **guidance only** and carries **no warranty**. If a cow or heifer has been positively diagnosed as **10 weeks or more in calf** at the time of sale and thereafter is proved to be not in-calf, and a **Veterinary Surgeon's certificate** to that effect is produced there is a **38 + 5 day warranty**.

Where a cow or heifer is sold as 'having run with a bull' no warranty as to the animal being **in calf** at the time of sale is given.

Breeding Stock bulls The **vendor** warrants that any bull 10 months or over sold as a stock bull is capable of and effective at natural service. This warranty is a **16 week warranty**.

Please note Milk yields are given as a guide but carry no warranty.

The descriptions are supplied by the vendor and whilst they are believed to be correct this catalogue in no way shall guarantee their accuracy.

Conditions of Sale – It is strongly recommended that Bidders and Buyers visit **Kivells.com** and read the full Conditions of Sale produced by the Livestock Auctioneers Association (LAA) ahead of the sale. Unless advised otherwise you will be bidding and buying under these Conditions and you will be obligated to abide by these Conditions and these Notice to Purchasers. The LAA Conditions of Sale are also displayed in Kivells market office. Clauses 12 to 19 inclusive relate mainly to the Purchaser. This catalogue may also contain reference to Warranties as defined by the LAA Conditions of Sale. Warranty issues will not be considered if payment in full has not been received.

Risk – All livestock are at the risk of the Vendor before they are sold and at the risk of the Buyer when they are sold (fall of the hammer). It is strongly advised that Vendors and Buyers ensure that their insurance policies cover livestock at market premises and that Buyers have immediate cover for animals purchased.

Descriptions of Lots – Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. Statements of Fact – Unless otherwise announced all statements of fact made in any sale catalogue or at the time of sale regarding the breeding of any animal, its health status or other tests carried out on any animal are statements of fact made by the Vendor and not the Auctioneer and the Auctioneer accepts no responsibility for any misstatement nor does he nor the Vendor accept any responsibility for any subsequent reaction by an animal sold to any relevant test administered after the sale.

Liability of The Auctioneer – The Auctioneer acts in all respects only as agent for the Vendor and no warranty is given by the Auctioneer or his employees or contractors, and none shall be implied, as to title, description or the quality of any Lot. Neither the Auctioneer nor his employees or contractors shall be liable to the Purchaser in any respect for any defect of title, error of description or imperfection or for any announcement or statement concerning any Lot offered for sale whether made orally or in writing (whether in a sale catalogue, order of sale, advertisement for the sale or otherwise) and whether given before, during or after the sale, nor shall he incur any liability in relation to any dispute between a Vendor and Purchaser.

The Auctioneers reserve the right to request a deposit as part of the instruction process.
