FOREWORD

The Lessnessock herd is one of the longest established pedigree dairy herds in the UK tracing back to the early 1900's. The name is famous throughout the world for breeding pedigree Ayrshire cattle and in the early years of the breed Lessnessock stock were exported to Canada, South America and South Africa with many of these foundation animals still having a positive impact in these countries.

In more recent times some top Holstein cow families have been introduced and now form the biggest portion within this impressive herd. First impression of the Lessnessock cows is just how good the udders are, and the feet and legs are exceptional.

This is a productive herd currently averaging **8254kgs 4.06% butterfat 3.32% protein** (includes the Ayrshire herd) at the last milk recording on the 14th January the herd averaged **28.77kgs** per cow with an average cell count of 161.

The milking herd comprises 43 heifers in milk, 44 second calvers, 31 third calvers, 11 fourth calvers and 29 having five or more lactations. This is mainly an all year round calving herd. There are 59 January, December & November calvers, 44 October and September calvers. There are 21 due to calf in February and March, 25 due in April and May and 45 due to calf in June & July.

Calling all Ayrshire Breeders!

The nucleus of the Ayrshire herd has several of the most prolific breeding lines within the breed. They include the Barr Sandy Rose, Stevenson's Bunty and Sandyford Mayflower to name a few. There are individuals selling that have won at National Shows and can win at National Shows.

- **BRUCHAG STARMAN JEWEL QUEEN** was the winner in the All Britain Photographic Competition and will sell fresh in her second.
- **LONGWOOD DREAMER MARIE** is another BIG TIME young cow. She was winner in the All Britain Photographic Competition and a Finalist in the World Photographic Competition. She was Reserve Champion at UK Dairy Expo and sells due with her third to Gwynnog Primetime in July.
- **SANDYFORD VITALITY QUEEN** is a special cow having won Champion Heifer in milk at UK Dairy Expo and Reserve Champion at Ayrshire County Show. This outstanding cow is due again in May to Time Lord sexed – Big prospect for the Royal Highland

The Holstein herd has deep ribbed, wide rumped cows with super feet and legs and udders that all milk producers really appreciate. They are medium in stature and are cubicle housed during the winter months. The herd grazes from early spring and the farm has invested in AstroTurf walk ways to help with their 21 days paddock grazing system. The winter ration is simple with dairy cake mixed with the silage and animals fed to yield at milking time.

The classification results confirm just how good the herd is with 18 Excellent, 72 Very Goods and 49 Good Plus cows selling. This includes 6 Excellent, 13 Very Good & 11 Good Plus Ayrshires. There are 14 Very Good two year olds selling! The young cows are sired by **MVP, NUMERO UNO, DE-SU TOPSY, KINGPIN, AFTERBURNER & SUPERSHOT.**

Herd Health

The herd is vaccinated for IBR. They are tested free of BVD. The herd is tested each quarter for Johnes using milk samples and all the animals selling are tested free. The farm is situated in a four year TB testing area and the last TB herd test was in April 2019. There has never been a TB case within the herd.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
