AYRSHIRE

President's Welcome

PRESIDENT - RODNEY ARMSTRONG

First of all I must start by saying what a honour it is to be President of The Ayrshire Cattle Society, my family have a long running tradition of breeding Ayrshires under the Plaskett prefix. I started my year at the Conference in May. A big thank you goes to John, Avril and family who had wonderful support from the Wigtownshire Club. They filled 3 days with herd visits and activities and even organised the wonderful weather.

The first trip out was to this year's Northumberland County Show, our first time visiting, and won't be our last. Annabell and I attended the Highland Show for a couple of days, helping Amy on the Society stand with hospitality and meeting members. Congratulations must go to The Adamson family from Swaites for winning the Championship with Swaites Bright Spark 11, and to all other breeders who prepared and showed cattle on a very warm day.

The middle of July saw a busy week when we travelled down to Staffordshire to attend The Slater Cup, an inter club Stockjudging competition that includes five clubs. Well done to Matthew and the Needham family for hosting the day. Later that week was an early start, with a trip across the A66 to the Great Yorkshire Show, where $\mbox{lwan}\mbox{ Thomas}\mbox{ \dot{i}}\mbox{apped}$ out the champion, going to Andrew Rimmer with Holmeswood El Clover. Thank you to all exhibitors for showing.

Our calendar is guickly filling up for the summer and autumn. It would not be possible to go to all these events without the great support we have from our family, who you will all meet at next years conference.

I look forward to meeting with members at many events over the next few months.

PAST PRESIDENT - JOHN WATSON

As I report on my final few months as President of the Society, I feel honoured to have been given the opportunity, especially in a year where the UK hosted the World Ayrshire Conference.

The event was a huge success, with delegates from all around the world congratulating the Society for hosting such a great event. Daughters of Cattle Services impressed resulting in new orders being placed for delivery worldwide

In my many trips around the country, it has been reassuring to see so many breeders committed to the breed and showcasing the Ayrshire cow at so many shows around the country, from The Royal Highland Show, Great Yorkshire show and many other shows, Ayrshires were well represented in both numbers and quality and often taking Interbreed titles.

Our young breeders remain a shining light in our industry, having a very successful gathering on the Isle of Man in August 2024 and in the South East in April this year and also at our National Show helping to bring breeders cows to the ring. Their enthusiasm and passion is something admired by many breeders and other Societies around the world, and is something as a Society, we should be very proud of.

Members of Council have recently had some big decisions to make for the better of the society and I would like to thank them for all their continued support during my year.

The Presidents Committee have also encountered some challenges, they gave their all and are due a big thank you. Also, to Amy for all her hard work and keeping me right which probably took some doing, and to the Wigtownshire Club who all worked incredibly hard to secure sponsorship for the Wigtownshire conference and ensured the event was a success. Lastly to Avril, my wife and family who supported me through it all.

Office Update

This year has not come without its challenges so far, but with the enthusiasm of so many breeders and supporters of the society, we continue to work together to move the breed forward.

At the March council meeting, reviews into the services provided to members saw a new supplier of society uniform and merchandise appointed and we look forward to working with Stitch & Print from Wigton, Cumbria. A link to the new online shop can be found by scanning the QR code here, please

remember, I do have a limited stock of shirts in the office and ties are only available from the office.

The Young Breeders weekend took place in the South East in April, along with the Annual Conference in Stranraer in May, full reports on both of these events can be found later in this journal, and I would just like to thank everyone involved in both of these events for all their hard work to ensure both events were successful

As we look towards the rest of the year, we look forward to welcoming exhibitors to the National show at UK Dairy Day in September, and also the All Breeds All Britain Calf Show in Stafford, also in September. We also encourage members attending local shows to send any Ayrshire results to the office for reporting on the Website.

During the Annual General Meeting, the officers for the next term were elected and are as follows:

President: Rodney Armstrong, Plaskett

Vice President: James Waterhouse, Fourth Milestone

STATEMENT OF APOLOGY

The Ayrshire Cattle Society acknowledges that its judgments and procedures were flawed in relation to the suspended member, Blaise Tomlinson. We recognise the following points.

The temporary suspension of the Allstar and Stardust prefixes in March 2023 was not justified and we apologise to both Evie Tomlinson and Millie Tomlinson for any for any unnecessary offence, anxiety and embarrassment caused from the situation.

An external forensic examination regarding a dispute between ACS and Blaise Tomlinson related to an email concluded with no blame to Blaise Tomlinson, the South African Ayrshire Society, or the office bearers of the ACS. It is assumed that a third party may be responsible for any fabricated documents in this case.

The Presidents committee of the organisation apologises for their conduct towards Blaise Tomlinson since August 2022 and regrets any misinformation relayed to the council, noting that the council was not fully informed of material facts that could have been made available to them.

Top Performers of 2024

We are pleased to highlight the top performing animals registered with the Ayrshire Cattle Society of Great Britain & Ireland in production, Type Classification, Brood Cow status, and Show success. The Society maintains two Herd books: one for Ayrshires (Breed code 03) and another for British Red and Whites with less than 51% Ayrshire blood (Breed code 14).

PRODUCTION

In 2024, there were a total of 12,858 completed lactations, with an average yield of 7,782 kilograms, 4.23% butterfat, and 3.31% protein. The main Ayrshire Herd book accounted for 9,182 of these completed lactations, while the Red and White Herd book recorded 3,676 completed lactations.

To recognise animals that excel in their production yield

and meet high milk quality standards, while maintaining strong fertility, a Superior Production (SP) status is awarded. In 2024, a total of 428 Superior Production awards were granted.

The top production cows who completed their lactations in the year and qualified officially in 2024 are as follows and ranked in order of their combined Fat and Protein kgs:

Cattle Services Update

As we fly through 2025, Cattle Services continues to offer a great selection of bulls who come from different cow families and offer different traits for you to use in your breeding program, if you are looking for high milk, great components, type or fertility, there is a bull at Cattle Services who caters for this.

Already in 2025, we have released two new sires, Swaites Deer Hunter and Whitecroft Aztec. Deer Hunter is available in Sexed and conventional straws with Aztec only available in conventional straw as he did not make the grade to produce sexed straws which was very disappointing for us. Despite this, there are currently 13 sires that are available in sexed which include the proven sires - Ardmore Jeepers Creepers, Harperfield Wind in the Willows and soon to be proven Alkmonton Stardust, Hunnington Fantasy and Cuthill Towers Calcutta.

Moving forward, the aim for 2025 is to potentially put a further two to three bulls onto the sexing machines so that we can continue to offer you the best genetics.

The next sire who is due to go into stud is CS Ayr Punchline. Punchline is the result of embryos that Cattle Services purchased in a conference sale. He is sired by one of our most successful bulls, Pam Ayrs Hawaiian, and is a daughter of the great Sandyford Real Punchy who has yields over 13,000kg and is classified EX95. The grand dam classified EX95 with the great grand dam of the bull being classified EX93. He is a bull that will offer breeders the complete package of milk and type with the added advantage of being bred from a rock-solid cow family, the Punch's.

Sales in 2025 remain strong despite the big uptake in beef on dairy, with this in mind please ask us about what beef sires we have available if you are looking to use this on the lower end of your herd. The biggest sellers so far in 2025 have been Cuthill Towers Rhino, Swaites Deer Hunter and Ravenhill Revolver. As well as the strong sales at home our genetics from the UK continue to be sought after across the globe with orders already sent to South Africa, New Zealand and Australia.

Whilst on farm, daughters of Cattle Service bulls continue to perform well for breeders, Beechmount Magic Mike daughters have been calving in well, milking above average and also classifying well. Unfortunately, there are no sexed straws left but there are conventional. Also, early reports are very promising for Cuthill Towers Calcutta with reports of heifers milking up to 40kg a day. Calcutta is still available in sexed straws. Also it has been great to see daughters of Tontine Astorwell developing well with age both in their looks and the parlour. In the youngstock pens Beeline Ladysman, Ravenhill Revolver and Hilltown Yukon Delta continue to bred calves that stand out in their groups. These three bulls all have conventional and sexed straws available.

Tontine Astorwell Jive - Tontine Astorwell Daughter

It is also great to see breeders exhibiting daughters of our bulls in the show ring, already this year has seen daughters of Brieryside Hail and Pam Ayrs Hawaiian winning championships.

Carnell Barby Doll 13 – Brieryside Hail Daughter

To those that may not have heard, I have made the decision to leave Cattle Services for a new challenge. I would like to personally thank the directors and customers for your support over the last near on 10 years and wish you all the very best for the future. The directors are currently considering options of finding a replacement; however, orders and enquiries can still be called into 07803 515626.

And finally, the directors and I would like to thank Claire Hunter for all of her work with Cattle Services over the last 5 years. Unfortunately due to work commitments, Claire has had to step back from her role as a director.

As always please keep up to date with everything Cattle Services by following us on Facebook and checking the website. Also new is the WhatsApp group which shares information on bulls, if you would like to be part of this group then please send me a message so that I can add you to this. Also if you have a bull calf that you feel may be of interest to Cattle Services then please contact any of the directors with the details.

Breed Heritage Report

Over the past 16 months, in accordance with recommendations from the Breed Heritage Committee, more than 50 females have been born and registered, sired by 17 distinct sires. Each dam was selected based on their contributions to the program, yield production, components, or family history. Sires were chosen to further enhance each individual merit, while striving to create diverse bloodlines, improve indices, and increase the percentage of pure bloodlines alongside enhancing health traits. The overarching goal remains to advance toward breeding females of bull mother potential in the next generation.

Examples include:

- Flintstone Buster Ella was bred to Plein Soleil Hacker resulting in the birth of Flintstone Hacker Ella. The PTAs on production have added an extra 160 kgs milk, 4kg of butterfat, and 6kgs of protein yield, while increasing £PLI by £67, bringing another female line back to pure Ayrshire.
- Hilltown Violet 598 was bred to Hilltown
 Trailblazer with the intention to add more milk to
 the family. The female born, Hilltown Violet 664,
 has PTAs of 160kgs more milk than her dam while
 adding different genetics to the program.
- Whitecroft Nellie 94 was bred to Tontine Astorwell, resulting in an increase of £226 PLI to £318 PLI for Whitecroft Astorwell Nellie. Yield predictions are now 686 kgs, up from 526 kgs, an addition of 160kgs, while adding an extra 5.6kgs of fat and 8.9kgs of protein solids.

New entrants to the program are always considered. Here, we feature a new entrant, **Lynher Dairies Hawaiian Chiara VG89 3 yrs**. A young cow with superb conformation, solid production and from a proven family with great fertility. She extends back to the Meikles Cherry Fine Family.

Whilst we continue to improve the female population of some of the UKs best females, we continue to see some males being born which have been of interest to Cattle Services. These sires include the extensively used **Ravenhill Revolver** and the two new released sires, **Swaites Deer Hunter** and **Whitecroft Aztec**.

Lynher Dairies Hawaiian Chiara

Despite various challenges, our proposed Genetic Expansion Project has not yet come to fruition. However, we remain optimistic in our search for suitable candidates. We invite you to inform us of any pure-blood male calves born on your holding from proven families, where the dam exhibits superior fertility and outperforms her herd mates. We are particularly interested in those of outcross breeding.

Please contact Duncan via phone/WhatsApp at 07771826403 or email at hunterdairyconsulting@hotmail.com. We look forward to hearing from you.

The committee will maintain its collaboration with breeders using the same strategy and will continue to research ways to enhance the reliability of Ayrshire breed genotyping.

Breed Heritage announces the addition of a new committee member, James Mattinson from Rosewain Farm, Wigton, Cumbria. James and his family manage over 300 pedigree cows under the Troutbeck prefix. The committee appreciates and extends their thanks for the contributions of retiring member John Adamson over the past five years. Additionally, congratulations are extended to John and his team at Swaites for winning the Haresfoot Vase for Premier Breeder Exhibitor in 2024.

Annual Conference 2025

The 2025 Annual conference and AGM took us to the very sunny Wigtownshire in May. The North West Castle Hotel in Stranraer was home to the delegates for the duration of the conference.

Monday morning saw the meeting of council before the AGM and awards giving. Following the finance report, the officers for the next term were elected as follows:

President – Rodney Armstrong, Plaskett President Elect – James Waterhouse, Fourth Milestone

Junior Vice President – Robert Cornish, Butterbesley Past President – John Watson, High Mark Honorary Life Presidents – John Hunter (Ardmore), Colin Christophers (Rosehill) and David Heasman (Pylon).

Following the formalities, the 2024 awards were presented for the Photographic competition, Star Broods and LP100's, along with the 2024 Haresfoot vase winner which is awarded every year to the exhibitor that has gained the most points at qualifying shows during the season. This years award was presented to John Adamson & Family of Swaites Ayrshires who had an incredible show season in 2024.

After lunch at the hotel, delegates headed east to the Service's Knockbrex herd for a very relaxed afternoon which included viewing the milking herd going through the rotary parlor and the calf unit, whilst the ladies had a Highland experience at Kitchen Coos & Ewes.. how many Highland cows are on your wish list!! The evening entertainment included some very interesting karaoke renditions...

The sun continued to shine into Tuesday where the first visit of the day was to Colfin by kind permission of the McWilliam family where Peter and Alastair farm the tenanted farm together. The Colfin breeding policy includes mostly Red & White genetics and were a tremendous herd to visit.

Following coffee and some delicious cakes, we took the short trip down the road to Carsenaw to the Service family. A very relaxed afternoon was had with everyone enjoying the glorious sun whilst tucking into a tasty hog roast and enjoying a walk around a very uniform herd of cows.

The ladies had a trip out for a tour of the Rhins of Galloway followed by lunch at the Mull of Galloway before heading back to the hotel for a chilled wellness afternoon with Sarah Watson before dancing the night away.

Wednesday took the main trip to visit James Baxter's free range poultry unit. Delegates were amazed by the extensive systems James had implemented on his farm to make them as self-sufficient as possible, and it really was an experience to see.

The ladies had a mystery walking tour of Stranraer town, before everyone headed to High Mark for an afternoon of cows and great hospitality.

A great conference was had by all that attended with lots of good weather, superb hospitality and alternative activities with lots of entertainment along the way. The society wish to thank the Watson family, the Wigtownshire club and the sponsors for making it such an enjoyable conference.

Annual Conference — Top Honours!

New Honorary Presidents elected

At the Annual General Meeting held in May, Colin Christophers and David Heasman were appointed as Honorary Presidents of the Ayrshire Cattle Society of Great Britain and Ireland. Together with the current Honorary President, John Hunter, they will hold this title for life and retain the right to participate in and vote at Council meetings.

Colin Christophers joined the organisation in 1973 and commenced the registration of the Rosehill Ayrshire herd in Cornwall in 1980. Over the course of his career, he has developed several distinguished cow families and introduced numerous bulls into artificial insemination programs. Notably, Rosehill Back Velour EX96 7E LP80 became the first purebred EX96 female in the UK under his stewardship. Colin has acted as a judge at both local and national levels across the UK, as well as in various herd competitions. In addition, Colin and his family have hosted multiple ACS conferences, including the World Conference. He served as President of the Ayrshire Cattle Society from 2013 to 2014, and has previously held roles such as Breed Development Chairman, Vice Publicity Convenor, World Federation Representative, and Council Member. Currently, Colin continues to serve on the Ayrshire Council and is a valued member of the Breed Heritage Committee.

David Heasman served as President of the organisation from 1997 to 1998 and has rendered significant service to Ayrshire Council over many years. Since the 1960s, he has been actively involved in registering and milking Ayrshires and is the breeder responsible for Pylon Ayrshires. Alongside his late wife Jeanne, David committed considerable time to advancing youth engagement within the industry by facilitating educational opportunities for Oathall Community College members and consistently promoting the Ayrshire breed. He played an instrumental role in developing several distinguished cow families and notable individuals, including Pylon Easled EX95 6E LP100 6 stars, who was acquired by the Window family at Hunnington at his Conference sale, and subsequently became an influential presence in the breed. David has also participated in international World Ayrshire conferences, representing the United Kingdom in Canada during his tenure as Vice President.

Lifetime Achievement

During the Annual Conference in Stranraer, Gilmour Lawrie of Brieryside Ayrshires was awarded a Society Lifetime Achievement award.

George Templeton, Knowe, spoke on behalf of the Ayr County Ayrshire Cattle Club to nominate Gilmour and highlighted many of his achievements including being the first herd to win

Gilmour and Caroline Lawrie

Super Heifer and Super Cow at AgriScot in the same year with Brieryside Profile Cherry VG89 2yr old and Dilandy Debonair Tabitha Ex93 respectfully in 2012.

In 2015, Bruchag Talent Evelyn EX93 took AgriScot Super Heifer and returned to take Breed Champion in 2017.

Bankend Wren 104 Ex95 was bought as a calf at Bankend dispersal, and she is the only cow to win Ayr, Royal Highland and Dairyscot in the same year.

One cow in particular who helped put the Lawrie's Brieryside herd on the map was Brieryside Swan 28 EX who won numerous shows around the country and was never beaten in her class.

The family also had a major sale in 2023 to disperse part of their herd to allow them to move to Myremill with the sale achieving many record braking prices at that time.

Gilmour also followed in his father's footsteps in becoming the Society president in 2016/2017 and took over as Business Co-ordinator until having the reins back at the 2025 AGM.

AYRSHIRE PREMIER BREEDER EXHIBITOR 2024

The Adamson family had an outstanding show season in 2024 taking Interbreed and reserve interbreed titles at the Great Yorkshire Show, Breed Champion at the National Ayrshire Show at UK Dairy Day, Reserve Breed Championships at the Royal Highland Show, along with many top honour class placings.

The Premier Breeder Exhibitor award is given out each year at the Society's Annual Conference to the exhibitor gaining the most points for winning at the qualifying shows during the previous year. The winner also receives the Haresfoot Vase.

Society President, Rodney Armstrong had the pleasure of awarding John Adamson the 2024 Premier Breeder Exhibitor Award along with the Haresfoot Vase at the Annual Conference in Stranraer in May.

Incoming President Questions

Name - Rodney Armstrong

About your Family?

I am married to Annabell and we have three children, Michael who works on the farm and is married to Meg, they have a son called George. Laura who is an Occupational Therapist and is married to Joe with a daughter called Lyla, and Amy who works for the society, she is married to Jake.

About your farm and its location

I'm the 3rd generation to farm Ayrshires at Plaskettlands on the beautiful Solway Coast. We own 185 acres and rent a further 60 acres that are mainly grass but we do grow 15 acres of Barley and 5 acres of potatoes that are sold directly to the consumer on local markets. We run an AYR, simple grazing system currently milking 105 with 60 replacements. We keep all bull calves and sell them fat.

Breeding Policy

We try to use pure Ayrshire bloodlines where possible, mainly by Al. We use an Ayrshire stock bull on the heifers. Beef is used on the lower end of the herd.

Tell us about your most prolific cow family?

The Jolly and Lucky Charm's are our most prolific families. We also have the Miss Norma's, they were first registered in 1960 and although lower on numbers, they have excellent longevity.

What is the name of your best home bred bull?

Plaskett Special Offer who was used in South West England along with Plaskett Special Merrit was sold by a Scottish AI company and will be in many back pedigrees. Plaskett Bruno who has recently been on centre with CSA, his calves are tall, and dairy and we look forward to seeing them calve down.

What do you look forward to the most in becoming President?

I am looking forward to visiting places and shows that I have not been to before and catching up with many people along the way.

Is there anything you want to achieve as President, if so what?

As a small breed, I would like to encourage more breeders to join the society and enjoy the benefits of the Ayrshire cow.

Who has been your biggest inspiration in your life and why?

My mother, Kathleen. She was always the one that stayed at home as dad trawled the country selling heifers and bulls at sales along with his many judging trips. The work never stops at home, and she was the glue that kept it all together.

Three words that your children would use to describe you?

Michael – No comment! Laura – Dedicated Amy – Supportive

Favourite food and tipple?

Annabell's home cooked roast dinner finished off with a malt whiskey!

Worst habit?

The family say not listening (or I think that's what they said!!)

Hidden talent

Won many competitions and trophies playing pool in the local league and since retired after 30 years.

If you were given 3 wishes, what would they be? Health, Wealth & Happiness

If you were able to go out for a drink with any 3 people in the world, who would you choose and why?

1. Sir Alex Ferguson because I am a big Manchester United fan 2. John Bishop, because he's a funny fella and he looks like me... 3. Freddie Mercury because I wish I got the chance to see him perform.

Dream holiday destination?

Venice.

Favourite TV programme?

Crime Dramas, especially Vera

Favourite music?

AYRSHIRE YOUNG BREEDERS 2025

This year's Young Breeders gathering came round quicker than normal with returning the event to April. Young (and senior!) enthusiasts travelled from far and wide to Dartford in Kent for this year's competitions.

Day one started with glorious sunshine for the trip slightly further south to the Becketts Mead herd of lan and Laura Russell and family where two cows were on display for the Sire Selection competition. Competitors were given the pedigree of the two animals on show, along with three potential sires that could be used based on the requirements of the farms breeding policy. A superb lunch was provided with some very refreshing Ice Cream from the family's Eridge Dairy.

After a quick delivery back to the bus, we then travelled north again to Ridley Court Farm where the

Howie Family paraded two classes of six cows and heifers for the Stockjudging competition in blazing temperatures.

As this year, we had an encouraging number of new competitors, Duncan Hunter provided a quick demonstration to explain the desirable and undesirable traits of a dairy cow.

The senior competitors were up first for their reasons so the juniors could listen and learn some of the positive terminology to use. The standard shown from those competing, and especially those new to reason giving was very impressive.

The competitions didn't stop there, as once we had finished dinner that evening, delegates were split into teams for some ice-breaker games where VAR may have been helpful!!

AYRSHIRE

Report

An early start on Saturday took us two hours up the road to the Smith Family's Wigboro Wick herd for the clipping and showmanship where judge for the day, Sam Wake, explained what he would prefer to see during the clipping section of the competition before allocating calves based on competitor height.

Following the initial clip and washing, we enjoyed a great lunch followed by the opportunity to view the milking herd.

In the afternoon, the competitors were all prepared for the showmanship, which again started with the older competitors, so that the juniors could watch and learn. Judge, Sam Wake, also gave each competitor advice on how to improve their skills for future competition.

The awards evening was held that same evening where society President, John Watson presented the 2025 results and awards. These can be found overleaf.

Congratulations to everyone who took part and a huge thank you to the host farms. An incredible amount of effort was put in by everyone involved to ensure an enjoyable, safe and successful event. The event also wouldn't be possible without the continued support of our sponsors, which was greatly appreciated by everyone:

BREED PUBLICITY AND PROMOTION LAUNCH

A new committee has been established within the Ayrshire Cattle Society of Great Britain and Ireland. At the Annual General Meeting in May 25, the Council took the necessary steps to create a Publicity and Promotions Committee with the objective of enhancing the promotion of the breed and supporting the organisation's publicity initiatives.

Joanna Billings of Bigginvale Ayrshires was duly elected as Chairperson and becomes an ex officio member of the breeds Council. Since her appointment, Jo has assembled a dedicated team comprising Mark Nicholls (Hilltown), Ian Hutchinson (Tontine), Linda Batty (Willowfields) and the current Junior President Elect, Robert Cornish (Butterbesley).

The Committee has enhanced its publicity efforts via the Society's website and social media platforms and is currently pursuing further initiatives to promote both the breed and the organisation. A message from our Chair:

"As chair of the newly formed publicity committee, I would like to invite you to participate in our "BREEDER TESTIMONIAL" project.

For this project, we ask for up to three bullet points that highlight key attributes of your herd or a brief statement explaining your reasons for breeding Ayrshires (Up to 25 words)

Additionally, we request a photo of yourself or your family and a photo of your herd.

We will use these materials to create advertisements promoting the breed.

Participation from members helps us communicate information about the Ayrshire breed's characteristics, adaptability, and suitability for different systems and climates.

Whether Ayrshires are the only breed on a farm or managed alongside other breeds, member contributions about their experiences are valued.

We plan to compile all submissions and share them throughout the year with the goal of increasing awareness of Ayrshires' qualities among prospective breeders and producers.

Please submit to Duncan on either WhatsApp 07771 826403 or email to hunterdairyconsulting@hotmail.com

If you have any suggestions regarding breed promotion, please feel free to contact us".

Jo Billings, Chair of Publicity and Promotions

Individuals interested in proposing new initiatives are encouraged to contact the Committee chairperson by email at Joannabillings32@gmail.com or by telephone at 07855814291.

STAFFORDSHIRE

After a dormant period, it is most rewarding to see the club up and running again, with Secretary Jayne Lloyd and Chairman Matthew Needham.

At the Staffordshire Agricultural Show at the end of May, it was pleasing to see Ayrshire classes being supported again, by three different exhibitors. It is to be hoped these numbers will be a foundation to build upon and look forward to seeing more Ayrshires at the show next year, especially with the great facilities at the showground.

The club's events this year began with the Herds Competition in June, judged by Martin Waring, with entries from no fewer than 10 herds. A prize giving dinner will be held later in the year.

The Needham family were the hosts for this year's Slater Cup Competition on 6th July. Master judges for the two classes were Willie Whiteford for the senior cow class, and Rodney Armstrong for the heifer class. The winning team was Cheshire B Team – Alan Norbury, Taneth Yates and Janet Patrick. In joint reserve position was the Staffordshire Trio – Chris Adams, Andrea Adams and Jamie Beardmore, and Derbyshire A Team – Ben, Michael and Andrew Broadley.

Individual winners were: - Gents - Alan Norbury; Ladies: -Taneth Yates; Juniors: -Fletcher Mellor There is a proposed trip later in the year which will include a visit to Reaseheath College.

Plans are well under way for next year's Society Conference. It is to be held on the 11th to 14th May; a full program of herd visits and activities are being planned. We will again be staying at The Crown Hotel, Wetheral. We hope to see old and new faces attending. More details to follow.

Club News-Derm

Looking back to Christmas celebrations, the Devon club had a well-attended meal at Fingle Bridge, who traditionally host our club get togethers, and where members, young and old, had a good catch up on all their Ayrshire news!

Leaping forward to May, the Devon County Show had some fine Ayrshires on show. Sadly, this clashes with the Society Conference for some Devon members, but the forever keen Rockett/Marshall family keep the Ayrshire flag flying very high for Devon.

Greenway Thea, from Les and Tracy Rockett and Abi Marshall, took Breed Champion, with the family also taking Champion Interbreed Heifer with Greenway Platinum Jubilee.

The club are aiming to hold more regular meetings and activities throughout the year. Anyone who would like to join us for keen Ayrshire breed discussions, usually over fine food! Please contact our Chairman, Rob Cornish on 07817 776194 or our Secretary, Mark Evans on 07866 267189.

Northern Ireland

In June, Agnes Henderson, beloved mother of our longstanding member of the Ballynahone Herd, sadly passed away. We send our deepest sympathy

and condolences to William, his brother Richard and their families.

Joe Armstrong

PLASKETTLANDS

Born at New House Farm, Newtown on 9th January 1928 to Beeby and Hilda Armstrong. He was the eldest of 5 children. Joe lived in the same parish all his life attending both the church and school at Holme St Cuthberts.

He came to Plaskettlands in 1948 to help the Strickland family after a bereavement and never left.

Joe and Kathleen would have been married 69 years in July this year. They had 4 children, 10 grandchildren and 9 great grandchildren.

Over the years joe sat on many committees, including the Ayrshire Council, various local show and parish committees. He was school governor for many years and in 2023 Joe was awarded Church Warden Emeritus for his many years' service. The Church was a big part of Joes life and faith, and it always came first no matter how busy things were. If anything was happening at the Church the path always had to be swept, some mornings before work on the farm had started. Joe would be found down there with brush in hand sweeping away and tidying up.

Ayrshire cows were in the early stages of being bred under the Plaskett prefix when Joe came to the farm. He had many great Ayrshire breeding friends including the Jamieson family at Round Bush. And Billy Cottam from Rottington, who would come and pick Joe up and off they would go on their adventures, whether it was a show, sale or open day. Many tales used to be told on their return. One thing that used to stand out about these trips was the hotel keys that would return with them. We had quite a selection at one time because they could never remember to hand them in.

Joe would travel the length and breadth of the country for Ayrshire cows. Judging shows and Herd Competitions. He once took Kathleen and family up to Butlins at Ayr for the week. Once the car was unloaded and everyone into their accommodation Joe took off to visit an Ayrshire herd. This pattern was followed for the rest of the holiday, while Kathleen entertained the children at the park. He saw many herds that week. And that was Joes idea of a holiday.

His knowledge of bulls and breeding from years past was second to none. Joes' commitment to the Ayrshire breed was recognised in 2015 when he was presented with a lifetime achievement award from the society alongside his brother Nick.

The family would like to say a heartfelt thank you to everyone who has sent cards and kind wishes.

LIFETIME PRODUCTION AWARDS

Summer Journal 2025

LP130 AWARDS

WHITECROFT MYRA 28 EX94 9E LP130

- JD & BF BROADLEY & SONS

Mandella x GP81 Fortune Seeker x Blue Riband x VG85 Regal Boy

At 16 years old, Myra 28 has achieved LP130 status after 14 lactations. She consistently produced well and usually bred back to first service. Among her six daughters is Whitecroft Myra 30 EX95 8E, a Brood Star cow who has further enhanced the family line. The Myra family at Whitecroft continues to excel across generations.

LP100 AWARDS

RYEMUIR PERFEK RENA EX90 3E LP100

- W SLOAN & CO

Simply Perfek x EX93 Jet x VG89 Sabre x VG87 Ranger

This distinguished cow family excels in both production and longevity. Perfek Rena represents the fourth consecutive generation exceeding 80,000 kilograms of milk production, and she is the third within four generations to attain LP100 status. She accomplished this remarkable feat during her 8th lactation and while under 10 years of age, illustrating her exceptional fertility. Perfek Rena is sired by Haresfoot Simply Perfek and has six registered daughters.

TONTINE TIG BROWN LADY EX94 6E LP100

- I HUTCHINSON

Tigman x EXgo Calimero x GP83 Ice Man x VG89 First Lord Tig Brown Lady has produced 100,000 kgs of milk during her eleventh lactation at the age of fourteen years. She has six registered daughters who contribute to the family's production and type performance at Tontine.

BARR SANDY ROSE 72 EX92 3E LP100

- GG BAYNES & SONS

Nelson x EX92 Ranger x VG87 Dougal x EX92 Extra Special Sandy Rose 72 is a successive seventh generation EX/VG. Bred at Barr, bought up at Lessnessock and now at Marleycote. She achieved her LP100 in her fourteenth year, being consistent with her eleven lactations of production.

Eight daughters and three sons continue this family's expansion.

JAMARA CLASSIC GLADYS 2 EX93 3E LP100

- JE & SM SEEDALL

This cow, despite having limited pedigree history, exhibits the characteristics of an excellent foundation cow. Her consistent high production and regular calving have enabled her to surpass 100,000 kilograms of milk

production in her ninth lactation. She has also produced three daughters, ensuring the continuation of this relatively new lineage.

CUTHILL TOWERS CLASSY LADY EX94 8E LP100

- A & S LAWRIE

Classic x EX92 Easlad x VG85 Ranger x VG85 Autumn Gold Again, high production and great fertility is demonstrated by a Classy Lady! Numerous lactations over 12,000kgs has meant she has reached her LP100 status in her ninth lactation and at 11 years old. Five daughters are registered as Classy Lady continues her production in her tenth lactation.

HEYDALE OLGA 95 VG85 LP100

- DW BERRESFORD & SON

Wilderness x Pat Laro x Reno x Sensation x Matador

Throughout her life, Olga 95 has demonstrated consistent production, meriting her LP100 award during her ninth lactation. Olga 95 has produced only two daughters, one of whom is Heydale Olga 113 EX92 3E, sired by Gentleman.

BRIERYSIDE ARTIST SPARKY EX93 2E LP100 1 STAR

- G LAWRIE & SONS

Artist x EX93 Executive x Supreme Red x Triple Crown Massive yields up to 16,877kgs has enabled Artist Sparky to achieve her LP100 in only her sixth lactation, with all but her heifer production excelling 15,000kgs. She has also recently achieved her brood cow 1 Star award, as she passes her high production and high type on to her five registered daughters.

RAVENHILL ETHEL 570 EX94 7E LP100

- J SUFFERN

First Command x GP82 Tryst x EX93 Nelson x EX90 Brendan

A notable highlight for many visitors to Ravenhill Ayrshires is the high production cow, Ethel 570. Achieving yields up to and exceeding 14,000 kilograms, she has earned the LP100 award during her eighth lactation. Currently, she has only two daughters: an 87-point Magician and a Revolver daughter born in 2025.
